

# In the Supreme Court of the State of Alaska

**Tammie Guilford,**

Appellant/Cross-Appellee,

v.

**Weidner Investment Services, Inc.,**

Appellee/Cross-Appellant.

Trial Court Case No. **3AN-15-08984CI**

Supreme Court No. **S-17591/S-17611**

## **Order**

Motion to Allocate Transcription  
Responsibility

Date of Order: **11/20/2019**

Having considered the parties' positions on who should be responsible for preparing and paying for the transcripts related to Weidner Investment Services, Inc.'s counter-designation of all the underlying trial proceedings for transcription, it appears that the counter-designations relate at least primarily to Weidner's cross-appeal and not to Tammie Guilford's appeal, the latter of which focuses on a pretrial summary judgment ruling and a pretrial evidentiary ruling. The cross-appeal, on the other hand, relates to a number of rulings made during trial.

Accordingly, **IT IS ORDERED:**

The motion is **GRANTED**. Weidner Investment Services, Inc. shall be responsible for preparing and paying for the transcripts of the underlying trial proceedings noted in the 10/4/2019 counter-designation.

Entered at the direction of an individual justice.
